

SAIMENA

(Cape Town Branch)

SITE VISIT MEETING ON TUESDAY 16 AUGUST 2011

The Chairperson and Committee of the Cape Town Branch of the **South African Institute of Marine Engineers and Naval Architects** cordially invite all members and guests to the following presentation:

Presentation by: **Devon Theron**
CFW Fans

Subject: **Site visit to CFW Fans**

CFW is an industrial fan manufacturer. They design and manufacture all their products in house and on site at their Parow factory. CFW service the Marine, Industrial, Power generation, Mining, Food processing and various other industries. The CFW projects department are able to design and commission turn key projects, while their service team can balance, refurbish and maintain fans and systems at the client's premises. CFW has a full R&D department that evolve and improve CFW products continuously.
