

SAIMENA MEMBERSHIP CIRCULAR

ECSA and SAIMENA - ANUAL MEMBERSHIP FEE.

Dear Fellows, Members and Associates.

Please be advised that failure to pay the SAIMENA Annual Fee, may well result in you forfeiting membership and having your name struck – off the Register, and no longer being a member of SAIMENA.

Similarly, if you are registered with ECSA and fail to pay their Annual Fee your name is removed from the ECS A Register.

It is a prerequisite to be registered with ECSA to be elected a Fellow of SAIMENA , thus, if you are no longer registered with ECSA, you are no longer a SAIMENA FELLOW.

At present to register with ECSA is voluntary, but legislation is being drafted, where, if you are engaged in Engineering Work of any kind it will be mandatory to be registered with ECSA.
