

The South African Institute of Marine Engineers
& Naval Architects

GENERAL NOTICE

Date of this Notice : 05/12/2011
Date/Time of Function : 07/12/2011 [12h30 for 13h00]

There will be a Christmas Lunch held on the
7th December 2011

At the Durban Country Club in the Bistro Restaurant

SAIMENA will take over the restaurant for the duration of the luncheon. This is our last social event for 2011 and members are encouraged to join their colleagues and associates for the lunch. Corporate bookings and sponsorships are of course most welcome.

We have managed a package deal with the Durban Country Club for the golfers amongst us and there are spaces for 32 golfers to play a round at the prestigious Durban Country Club course before the lunch. Dress for the luncheon is smart casual, no jeans.

We are having increasing difficulties in sourcing suitable venues for the luncheons as most venues now charge high rentals for the use of their venues.

Costs for the Christmas Lunch : R 160.00 p/p.

The lunch will be a buffet style [with starter and dessert] so that all members and their guests can enjoy their meal at the same time. We will have the bar facility as well.

It is suggested that bookings are made early as there are a total of 80 seats available. For bookings for the lunch and golf, please contact either by phone or email Brian Fynn at bfynn@marineandhydraulic.com,

Louis Gontier at LouisG@sa-shipyards.co.za.

If you require a formal invoice, please contact me at info@consultmarine.co.za

Further notices, menus and golf details will be published.
