## NOTICE TO ALL MEMBERS

[NOTICE of Meeting/Technical Paper #297]

20/05/2010

To all Members

Please be advised of a technical paper to be presented by Mr Willy Reekmans of Unigalv [Cathodic Anti-Corrosion Protection]

Date : 27<sup>th</sup> May 2010

Venue : DISTRICT GRAND LODGE OF KZN  
25 HUNT ROAD  
GLENWOOD

[OPPOSITE THE GLENWOOD VILLAGE SPAR, between MOORE and BEREA ROADS]

Corrosion [or prevention thereof] is close to all our hearts in our profession and the paper is of a technical nature so please give this your best support.

Berea Rovers have leased all the club's land and venues to the LOC [FIFA] from the 24<sup>th</sup> May to the 14<sup>th</sup> July 2010 for the world cup, so we have to find alternative venues.

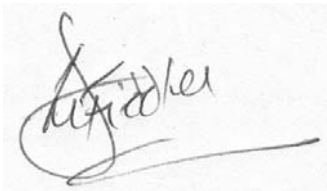

Please note that that the meeting/paper is on Thursday 27<sup>th</sup> May and not on a usual Wednesday evening.

There is parking in the lodge grounds, please do not park in the driveway immediately after the entrance gate. For access push 'hall' on the buzzer unit at the gate, the gate will open. There is a cash bar available in the hall.

To get to the Lodge if you are using Moore Road going up, turn right into Hunt road, if going down, turn left into Hunt Road at the traffic lights. If travelling over Berea or up Berea Road, turn left into Hunt Road at the traffic lights. There is also parking in the Glenwood Village Mall, note that the gate to the Lodge is opposite the ramps for SPAR.

POSTING NOTICES IS BOTH TIME CONSUMING & EXPENSIVE.  
IF YOU ARE ABLE TO RECEIVE YOUR NOTICE VIA E-MAIL,  
PLEASE SEND YOUR ADDRESS TO [info@consultmarine.co.za](mailto:info@consultmarine.co.za)
