NOTICE TO ALL MEMBERS AUGUST 2010

Notice for the quarterly luncheon to be held at the Royal Durban Golf Club on the
11th AUGUST 2010 [12h00 for seating at 13h00]

The lunch consists of a plated starter, buffet main course and the cost is R100.00/pp.
Dessert is included.

Booking is essential for catering purposes and should be made by 12h00 on the 9th August 2010.

Contact either the Hon Sec on info@consultmarine.co.za or 0828946428.

Or Louis Gontier on louisg@sa-shipyards.co.za or 0824556193.

Please show your support for the Institute by attending. Table bookings are also welcome. Members may pay at the door on the day of the luncheon.

Please note also that notwithstanding our type of business, and as there is no profit made on these functions as we do attempt to keep costs to the minimum, if members have booked and are unable to attend, they may nominate someone else to represent them, however, failure for whatever reason to attend will still require payment.

The following dates should be diarised for technical papers:

Uniglav corrosion protection	: 25/08/2010
Expert Witness details	: 29/09/2010
Ballast water management systems	: 14/10/2010
Malawi lake steamers	: 24/11/2010

The committee will advise members in good time if there are any changes.

Note also the annual dinner dance on the 19th November 2010 at the Durban Country Club. Bookings are open at the above email addresses.

POSTING NOTICES IS BOTH TIME CONSUMING & EXPENSIVE.
